

THERE'S NOTHING
BRIGHTER
& MORE COST
EFFICIENT

There's a reason why neon has been the leading lighting solution for more than 100 years.

Despite the recent introduction of other lighting systems, neon is still the brightest, most durable and energy efficient light on the market – and we can prove it. Visit us online at www.TheNeonGroup.org and see for yourself why neon is the brightest solution for your signage needs.

BRIGHTER
THINKING

BRIGHTER | EFFICIENT | DURABLE | PROVEN
